1 Part 1: Sky and stars

Bible: Genesis 1:14–18

God made the sun for the day and the moon and the stars for the night. Look out of the window this evening!

Question: What do you see in the sky at night?

Prayer: *Thank you, God, for the sun, the moon and the stars. Amen.*

God made everything

2 Part 2: The animals

Bible: Genesis 1:20–25

God made fish, birds, dogs, cats and even elephants. Every animal is different. Let's act out animals together!

 **Question:** Which animal do you like best?

 **Prayer:** *Thank you, God, for all the animals. Amen.*

3 Part 3: I am wonderfully made

Bible: Psalm 139:14

In the Bible someone says to God: I praise you because I am wonderfully made. That is true of you too! Your hands, your feet, your laugh.

 **Question:** What can you do with your hands?

 **Prayer:** *Thank you, God, for making me wonderfully. Amen.*

For leaders

- Keep it short: little children listen well for three to four minutes.
- Pass the object around – touching it helps understanding.
